Ohio Voluntary Action Program

Certified Environmental Professional – Nichole Lashley, Expires June 21, 2010

LEED Accredited Professionals (LEED AP)

L&A has three LEED Accredited Professionals (LEED AP) on staff and can work with you to address many different aspects of the LEED process. L&A has worked on numerous construction projects focusing on IEQ issues such microbial contamination assessment, design and management; environmental monitoring during construction; and LEED air quality testing, but can also assist in several other ways.
