

## **Sr. Transportation Specialist**

Lawhon & Associates (L&A) is seeking a scientist or engineer with fifteen years of transportation-related consulting experience to join our NEPA/Planning practice in a senior leadership role. The successful candidate will enjoy managing roadway, aviation and transit projects that require environmental or preliminary engineering services in a team-oriented, multi-disciplined and fast-paced environment. This is a full-time position ( $\geq 32$  hours per week) in our Columbus office, working directly with Managing Principals. There are opportunities for continued growth and advancement within the company.

### **Responsibilities**

It is anticipated that workload will be distributed as follows: project pursuits and proposals (15%), project management (35%), technical delivery (35%), staff supervision and mentorship (15%). Specific responsibilities include:

- Staff supervision and workload management
- Business development
- Opportunity identification and evaluation
- Project teaming/partnering
- Qualifications/submittal compilation
- Scope and fee preparation
- Project and task management
- Technical deliverable preparation
- Project cost and invoicing oversight
- Client relationship management
- Coaching and mentorship

### **Qualifications**

Qualified candidates will possess a Bachelor's degree in an environmental or engineering-related field. They must have over 15 years of transportation-related consulting and project management experience, with knowledge of the ODOT/LPA process. Experience with NEPA and an engineering license in the State of Ohio is desired, but not required.

### **Requirements**

The required competencies and skills include:

- Proven project management expertise
- Effective communication skills
- Ability to work collaboratively and independently
- Strong analytical and problem-solving capabilities
- Strong technical writing skills
- Ability to manage multiple priorities and meet deadlines
- Self-motivated with a commitment to high quality work/performance
- Willingness to travel across Ohio
- Knowledge of Microsoft Office products
